THE HON'BLE SRI JUSTICE B. PRAKASH RAO

REVIEW C.M.P. No.29491 of 2005

In

WRIT PETITION NO.19230 OF 2003

ORDER:

Heard both the sides.

Having regard to the reasons and especially when the Writ Petition is disposed of giving directions for payment of gratuity amount to the petitioner, it only amounts to setting aside the impugned order. Until and unless the said impugned order is set aside, the question of giving any directions does not arise. In view of the same, it is needless to mention that it shall be treated that the impugned order dated 29.07.2003 stands set aside.

In the result, the Review is allowed. No costs.
